

¡Mi Familia!

❖ Mi familia, means _____!

❖ Why do you think learning about *family* is important in this class?

YouTube Video

- List any Spanish words you heard in the YouTube video that you are familiar with.

- What was *your* takeaway from the short video?

- The video discusses interesting background information on today's families in the U.S., such as...

- That _____ in the United States are similar to those depicted in _____.
- _____ couples have increased by ____% in the past 10 years.
- One of the most common relationships consist of a _____ and _____ . Just like Jay and Gloria from television's Modern Family.
- _____ couples have increased 80% in the past _____.
- 20% of grandparents have a grandchild of _____.
- Surprisingly, this video discusses that the most uncommon family household consists of two _____ and their _____ under the same roof.
- 25% of all family households in the U.S. are headed by a _____.

- **Learning about Family is important because...**

1. Family is an _____ part of life.
2. Everyone has a _____ (like it or not, present or absent).
3. Family is ever-_____.

- **In this lesson we will learn to...**

1. _____ Spanish names of family members correctly.
2. We will be able to _____ the _____ within our own family.
3. _____ and _____ effectively about our own family members and other families we know.
